This block contains an analog clock on the left and a digital clock on the right, both showing the time 02:00. The analog clock has a red hour hand pointing to 2 and a blue minute hand pointing to 12. The digital clock displays '02.00'. Both clocks have arrows pointing to their respective parts, and there are dotted lines for labeling below each.

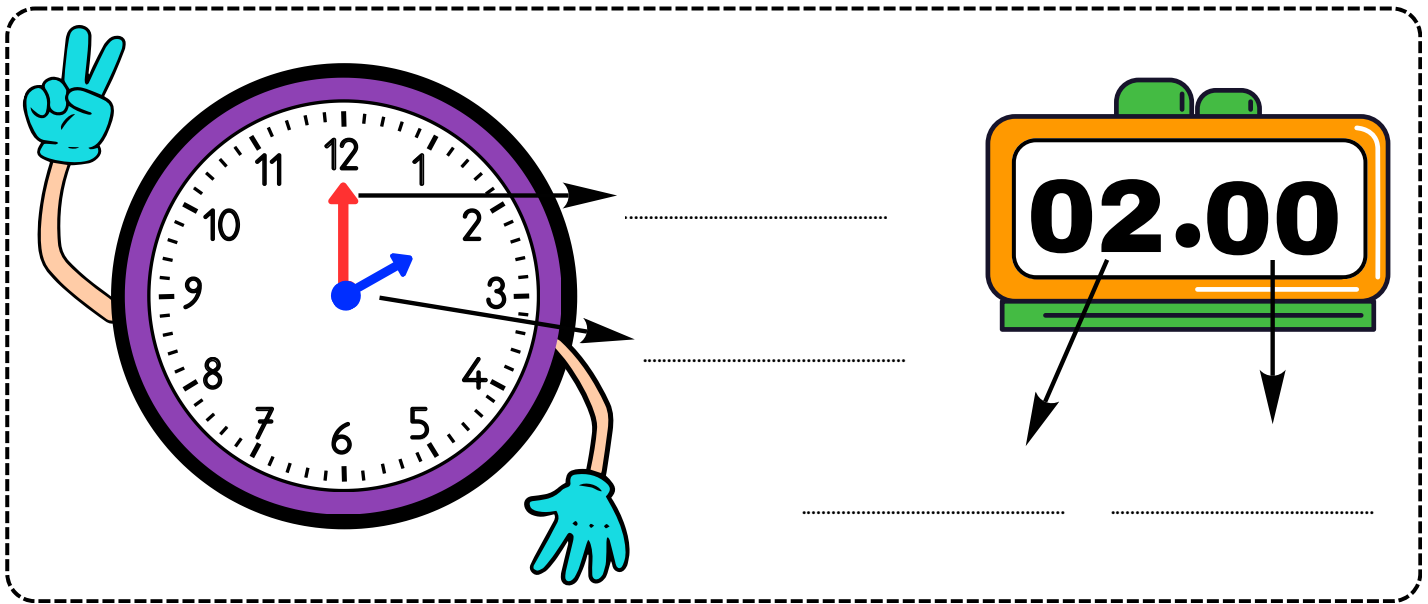

This block contains an analog clock on the left and a digital clock on the right, both showing the time 02:00. The analog clock has a red hour hand pointing to 2 and a blue minute hand pointing to 12. The digital clock displays '02.00'. Both clocks have arrows pointing to their respective parts, and there are dotted lines for labeling below each.

Both clocks have arrows pointing to their respective parts, and there are dotted lines for labeling below each.

This block contains an analog clock on the left and a digital clock on the right, both showing the time 02:00. The analog clock has a purple frame, a red hour hand pointing to 2, and a blue minute hand pointing to 12. It has two arms with blue gloves; the left arm is raised in a peace sign, and the right arm is hanging down. The digital clock is orange with a green base and shows '02.00' in black text. Arrows point from the numbers 2 and 00 on the digital clock to the blank lines below. Below the analog clock are two horizontal dotted lines for writing.

This block is identical to the first one, featuring an analog clock and a digital clock both showing 02:00. The analog clock has a purple frame, a red hour hand pointing to 2, and a blue minute hand pointing to 12. It has two arms with blue gloves; the left arm is raised in a peace sign, and the right arm is hanging down. The digital clock is orange with a green base and shows '02.00' in black text. Arrows point from the numbers 2 and 00 on the digital clock to the blank lines below. Below the analog clock are two horizontal dotted lines for writing.
